Notes/Comments: This plan is an example of what a four year plan could look like for a typical student admitted directly to nursing as a freshman. Placement exam scores in math as well as the completion of coursework may change the plan. It should not be used in the place of regular academic advising appointments. All students are encouraged to meet with their advisor each semester to discuss course scheduling. All requirements are subject to change by NIU. Students earning a combination of 2 D, F, or U grades in any nursing courses or who fall below an NIU cumulative GPA of 2.75 will be subject to dismissal from the Nursing major.
